Nielsen Norman Group

DEC 2023

Diploma in UX Design

BrainStation

APR 2021

B.S. in Biochemistry

University of Calgary

APR 2016

EXPERIENCE

Senior Product Designer | ClearGov

MAY 2025 - PRESENT, FULL-TIME, REMOTE, B2B SaaS

Joined as the sole designer and scaled the design function across three acquisitions, leading product design for Disclosure Studio.

- Joined Disclosure Studio at alpha as its first designer, driving it to an October 2025 launch — first cross-sell ($20K in 3 weeks), first demo-to-close ($30K), $80K contract, 12+ clients within months.
- Designed the carry forward feature — consolidating a 3-system workflow into a wizard, cutting ~30 minutes to under 2 and unblocking $175K in at-risk revenue.
- Championed and led company-wide presentations of PURE audit findings. Two sessions with 100+ employees, building organizational trust around a critical post-merger product decision.

Senior Product Designer | Max Retail

JUN 2024 - APR 2025, FULL-TIME, REMOTE, B2B SaaS

Sole designer across three cross-functional teams — shipping 10+ features across seller experience, marketplace discovery, AI tooling, and internal operations.

- Redesigned error reporting tooling, saving the ops team 12.5+ hrs/week — a full employee's working day.
- Designed an automated markdown feature adopted by 200+ retailers — $830K+ in discounted sales in one quarter across a $2M inventory pool.
- Designed self-serve seller registration — cutting onboarding by 6 min per account, with 78 sellers registering before public launch.

Senior Product Designer | VEERUM

MAY 2023 - MAY 2024, FULL-TIME, REMOTE, B2B SaaS

Joined as the sole designer, building their design practice from scratch — conducting 100+ user interviews and reducing user support requests by 34%.

Senior UX/UI Designer | Barstool Sports

NOV 2022 - FEB 2023, FULL-TIME, REMOTE, B2C

Joined the design team focused on their online marketplace, delivering UX improvements that boosted conversion by 11%.
